Welcome to the **5th Global Experts Meeting on FRONTIERS IN NEUROSCIENCES**

We warmly invite you to join us for the **5th Global Experts Meeting on FRONTIERS IN NEUROSCIENCES on Jul 09 - 10, 2025 in Vienna, Austria. FIN-2025** is the key forum to present research to an interdisciplinary and international audience. It provides a window into the future of neuroscience and offers an opportunity for researchers— from students and postdoctoral fellows to Professors, scientists and Industry—to exchange technical information and network with colleagues.

The scientific program will highlight the latest advances in Neurosciences research at an international level, with a strong emphasis on interdisciplinary research in both fundamental and applied areas. This would be a wonderful opportunity for networking and will cultivate everlasting friendship among fellow partners.

Over the course of 2 days, internationally-renowned speakers will describe how their research journey has developed in response to contemporary challenges: inspirational lessons in chemical initiatives and creativity. The attending experts and industry partners will also provide a fantastic networking experience.

Regards,

Anakaren Felix,

Program Director

About us

Innovinc International Conferences are powered with knowledge, experience and amazing people and has managed to become one of the leading B2B event organizers. By gathering expert speakers and leading professionals, providing them with strategic knowledge and growth opportunities. Our goal is to always focusing on innovative trends, covering the most up-to-date topics and working with top industry minds to prepare and execute the high-quality premier events. Our mission is engaged in organizing the conferences, publishing the high-quality conference proceedings, as well as providing services to scientists and young researchers on recent research updates in all fields

CONFERENCE HIGHLIGHTS

Conference sessions may be geared toward participants with different levels of experience or different positions. Main conference sessions include the following 20 topics. Choose to follow one topic or move between tracks to create your own personalized conference experience.

- Cognitive Neuroscience
- Paediatric neurology & Epilepsy
- Biology of Aging and Neurogenesis
- Alzheimer's & Parkinson's Disease
- Psychiatry & Mental health
- Neurorehabilitation & Neuroplasticity
- Neuro-Oncology
- Biological rhythms and sleep
- Addiction & Mental Health
- Neurosurgery and Spine
- Coronavirus and Neurological Problems
- Neurophysiology
- Brain Stimulation and Imaging
- Sensory and Motor systems
- Neuropharmacology and Neurochemistry
- Neurology and artificial intelligence
- Assessment and Psychotherapy Research
- Health, Stress, and Coping

WHY YOU SHOULD ATTEND

- To Meet renowned speakers, world's leading CEO's, Assistant professors, Professors of NEUROSCIENCES
- To know about the ongoing research projects and innovations in neuroscience Researches
- Chance to collaborate research organizations with industries
- To share the research ideas and implement them
- New contacts to enhance the business opportunities
- Build relationships of influence with key people in the field
- Generate brand awareness and sales leads qualified by meaningful conversation
- Deepen your understanding of the field and how best to engage with it
- Engage with high profile international and national speakers
- Connect with potential partners and commercial allies
- Promote and showcase the new technology, the new products of your company, and/or the service your industry may offer to a broad international audience.

YOUNG RESEARCH FORUM:

We welcome all the young researchers and students to present your study in the Poster Competition. Innovinc conferences provide you an opportunity of presenting your research-in-progress to international audience and experts in a visual format. As a poster presenter, you will have a unique opportunity to combine visual and oral explanations of your project. This competition is open to all students (Graduates, Post Graduates and Research Scholars). Posters will be evaluated by the conference committee and the Honorable Judge. Best posters awards will be given to the winners as selected by the Judge.

POSTER PRESENTATIONS:

The posters will be displayed at the conference and the top 5 abstracts will be invited to give oral presentations, with the best one awarded a prize at the conference. All abstracts must be submitted and presented in English, may not be longer than 300 words. Abstract titles should be written in capital letters and may not be longer than 60 characters. If an abstract is accepted, authors must attend the meeting and present it in person. Abstracts are to be presented as a poster. The size of the poster should be 90 x 120 cm. All accepted abstracts will be printed in the meeting abstract book.

GUIDELINES FOR POSTERS:

Preferred size: A1 (if resubmitting a poster from a previous event please state poster size on abstract submission) Poster can be resubmitted from another conference (within the last 18 months) One or more of the author(s) will be expected to attend the conference Details regarding displaying the poster at the conference will be given nearer the time.

REGISTRATION:

Register here: <https://neurosciences-research.org/registration>

CANCELLATION POLICY:

- Cancellation policy is strictly followed and all cancellations must be made in writing.
- Before two month will receive a full refund, less a €100 towards administrative fee. Cancellations received after close of business [before one month of the conference start date] are non-refundable.
- The registrations with discounted prices are transferable but not refundable at any point of time.
- In this case if the applicant is author, the paper will still be published in the conference proceedings and delegates will receive an electronic copy of the proceedings.
- Refunds will be made within 28 days of receipt of cancellation notification.

IMPORTANT DATES

Abstract Submission starts on: **August 01, 2024**
Registration opens: **August 08, 2024**
Conference dates: **July 09-10, 2025**

CONFERENCE SCHEDULE

Day 1 – 9 th July, 2025	
TIME	SESSION
08:00 - 09:00	Registrations
09:00 - 09:30	Opening Ceremony and Introduction
09:30 -10:30	Keynote Session I
10:30 -11:00	Keynote Session II
11:00 -11:20	Refreshment Break
11:20 -13:20	Scientific Session I
13:20 -14:00	Lunch Break
14:00 -16:00	Scientific Session II
16:00 -16:30	Refreshment Break

Day 2 – 10 th July, 2025	
TIME	SESSION
09:00 -10:30	Keynote Session III
10:30 -11:00	Refreshment Break
11:00 -12:30	Scientific Session III
12:30 -13:30	Lunch Break
13:30 -15:00	Poster presentations
15:30 -17:00	Prize distribution ceremony

ABOUT - VIENNA, AUSTRIA

Vienna is Austria's most populous city and its primate city. Additionally, Vienna has been called the "City of Music" due to its musical legacy, as many famous classical musicians such as Beethoven and Mozart called Vienna home. Vienna is also said to be the "City of Dreams" because it was home to the world's first psychoanalyst, Sigmund Freud. The city's splendid showcase of Austrian grandeur includes well-preserved palaces, museums, and beautiful city squares and gardens. The Hundertwasserhaus is one of Vienna's most unique and colorful buildings. It was designed by the Austrian artist Friedensreich Hundertwasser, who believed that buildings should be works of art.
